## SUMMARY

I am a highly-motivated, professional and committed team worker who understands the importance of carrying out my duties to a very high standard. I am dedicated to continuous development and regardless of the situation I am in, I will always seek to learn and improve by taking advice from others.

## WORK EXPERIENCE

Two Paged Portfolio

2023

Built my Portfolio by mastering JavaScript  
Implemented 3D models with React  
Executed email handling with API Handled complex problems

Face recognition website

2023

Developed a Full Stack React App combining all my knowledge  
Provided my app with individual profiles using login and score features, keeping track of how many times you used it

Assisted with a database for the user credentials  
Assigned a smart API to detect and mark human faces in any photo

Self-filtering website

2023

Assigned a website for a search filter feature  
Built with JavaScript and CSS primarily  
Improved with external fonts
